

# DANGEROUS CORNER

J. B. PRIESTLEY

**SYLVIA McQUILKAN** teaches speech and drama and has done Choral and operatic shows in Palmerston North and Tauranga. This is Sylvia's second appearance with "COMPANY"

**ANTHONY PEARCE** started acting in the 60's in Scotland; his dreams of being a stand-in for Dudley Moore were shattered when he discovered that he was taller than Dudley!

**PATRICIA SCOTT** founder member of COMPANY. An experienced actress, at home with both comedy and serious roles: her favourite characters are those which are a real challenge.

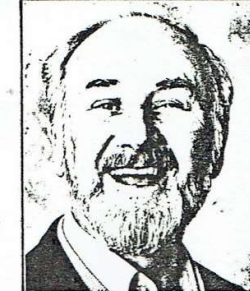

**ROWAN MAULDER** confesses to be mad about Marilyn Monroe, Dudley Moore, E.T., cookies and cream, Richard Bach, Fred Astaire, dancing and caving; and (he says) is an ex-Broadway Superstar!!

**BARBARA JUDGE**; "COMPANY" may be a stepping-stone for her ambition to act in the Abbey Theatre, Dublin. Her favourite rôle - and an unusual one - was to portray a character called Influenza.

**PETER NEEDHAM** - self-confessed "occasional actor". A lifelong interest in the stage and a fan of John Gielgud and of "Rumpole"! We welcome him in his first rôle with COMPANY THEATRE.

**RUTH MATHIESON** went on stage as a "wee'un" in Panto and Ravve, and is now helplessly fanatical about it. Her favourite rôle to date, has been "Olivia" in COMPANY's production of "Love in Idleness".

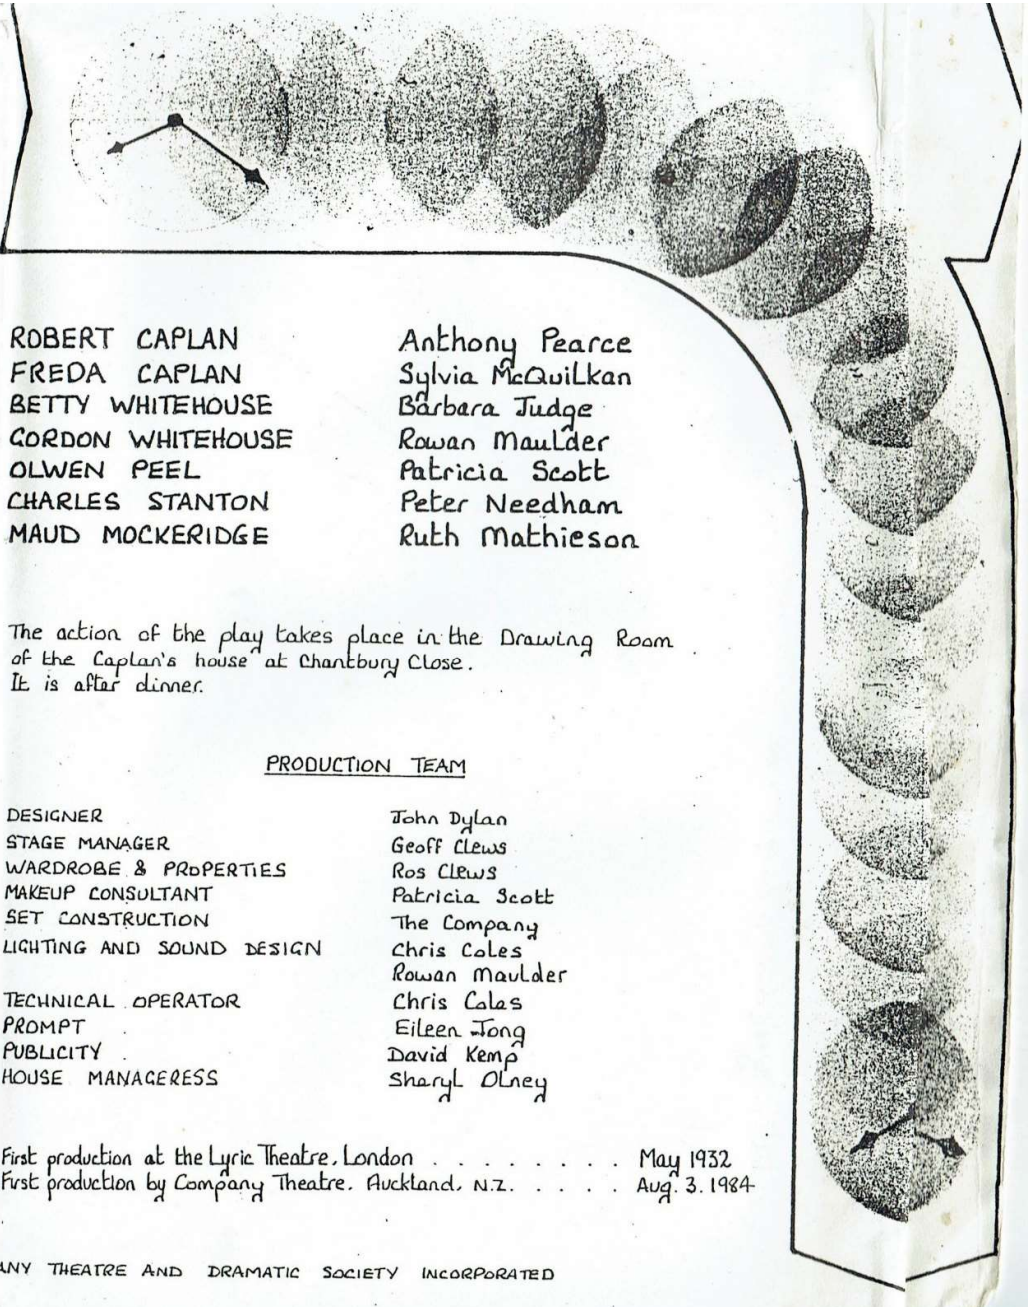

**ANNE POTTER** began in Theatre at University, directing and acting in Melodrama. Joined COMPANY on impulse and has been roped in for almost everything, including Treasurer. See where impulse leads!
