

## How about a fun and easy fundraising idea for your organisation?

Company Theatre would like to offer your group an entertaining evening of theatre as a fundraising social event.

How does it work?

Your group can purchase tickets from Company Theatre at different prices, depending on the size of your group. Normal ticket prices are \$25 a seat, with \$20 for Seniors. For groups of 20 to 49 people, you can purchase for the concession price of \$20 a seat. For groups of over 50 and up to 99, you can purchase for \$15 a seat. If you would like to have the whole theatre for your group, the price is just \$12.50 per ticket. Our seating capacity for this is 122. It is then up to your group to sell these tickets at whatever price you wish. For large groups your tickets must be paid in full, at least one week before the performance. It is possible to make a good profit for your organisation with very little work involved. Just turn up on the night and enjoy the show! You can bring your own supper if you like, and Company Theatre will set it up on a trestle table in a special area for the sole use of your guests. Any questions on fundraising, contact Kathy Gent on 4456447.

Company Theatre has its own licensed bar. We sell beer and bubbles as well as Coopers Creek (or similar quality) bottled wine per the glass, at reasonable prices. We have full kitchen facilities available for heating and/or preparing food (and a separate lounge area to separate your guests from the other patrons, if necessary.)

We have an excellent and comfortable facility in the Rose Centre. The theatre is small, and the seating is well raked so that a good view is available from every seat.

Company Theatre is committed to entertainment and we would like everyone to go home having had a good night out!!
